A Day to Remember

Last Friday, we went on a school trip to the art museum. It was cloudy and cool. It is about twenty kilometers away from our school, so we went there by bus. It took us about half an hour to get there. We sang and laughed all the way.

First, we visited the musical instrument exhibition in the museum. It is beautiful and great! We learned a lot about traditional Chinese music from it. Then, the workers from the museum told us many stories about the old things. They were interesting. At the same time, we wrote down some of them. After that, we also drew some pictures of the sights of the museum. Finally we went back to school at 5:00 p.m.

What an amazing school trip! Although we were tired, we all had a great time!
